Define the Problem Statements

Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

Example & Problem Statements Definition:

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	Teacher in Classroom	Start presentation with classroom projector or Wi-Fi	The projector fails to connect or library Wi-Fi drops	Ticket sits in general queue waiting for manual	Stressed and helpless while valuable lecture

				review	time is wasted
PS-2	Student in Lab	Reset password to access online portal for exam submission	I cannot classify complex IT categories correctly	The system lacks automated keyword routing & email receipts	Anxious and worried about missing assignment deadlines
PS-3	IT Helpdesk Admin	Quickly resolve critical campus hardware and network issues	I spend 30% of shift manually sorting and classifying tickets	System lacks automated intake logic and dependent choices	Overwhelmed by repetitive administrative triage overhead
